

## **Short Movie Contest**

### **2-stage rules**

Only those who reached 60 points in 1-stage will pass to 2-stage. In this stage every participant will be given personal task on editing a video. The time limit for the movie is 1-1,5 min. In order to fulfill the task every participant have to own video materials for editing, that are shot during the road to Infomatrix and within it.

Evaluation criteria for 2-stage:

- Visual Composition - *25 points*
- Audio Composition - *25 points*
- Editing skills - *30 points*
- Message and idea - *20 points*

**NOTE:** Competitors have **an hour and a half** to finish their montage and to render it. Any work given after expiration of the time won't be accepted. After an hour and a half every participant have to give their final video on **USB flash**. All participants have to own a laptop with editing program, raw video materials, headphones and music (if needed).

**IMPORTANT: 2nd stage will start at 9:00.**
